

We are locally owned and operated, high quality, ground based airport shuttle service. We operate frequent daily trips from our Downtown Salisbury Office to the Baltimore/Washington International Airport (BWI). Service is provided to Dorchester County through the Hyatt Regency Chesapeake Bay Resort in Cambridge. Service is also provided to the Talbot County Area utilizing the Easton Airport Terminal Building. We have added new runs in the Worcester County area. See the schedule and rates below for our new Ocean City/Ocean Pines to BWI shuttle run.

We take you to BWI in some of the finest, safest, and most spacious vehicles manufactured today, the Chevrolet G3500 fourteen passenger van or Dodge Caravan. Outfitted with XM Satellite Radio with over 100 channels. We will also call for a cab in Easton as well as Salisbury. With all this to keep busy the time will pass quickly.

All of our trips are scheduled to run daily, but we recommend you to book at least a week in advance to ensure that the trip that would best service your schedule is running, as we begin to close trips if they remain empty a few days before they are to run. However, if you have made a reservation, we will run your trip regardless of the number of passengers.

We make an attempt to run on schedule. Please be considerate of your fellow travelers and arrive on time for your departure to BWI. There is no guarantee we will wait for you if you are late. Although we estimate a two hour trip from Salisbury7 to the airport, times over the bridge tend to run longer on summer weekends and we do not advise you to book close connections.

**Refund Policy: If you don't cancel before 12 hours prior to shuttle departure, your credit card will be charged for the trip. If you miss your trip due to a late flight, we will accommodate you on the next available shuttle. There are no refunds for missed connections.**
